## ANGLO-DANISH EASTER CUP 1988

### A message from the Chairman of Lancing Rangers F.C.

It gives me great pleasure to welcome here today the players, officials and supporters of both our good friends and neighbours, Adur Athletic, Fishersgate Flyers and Worthing Minors and our visitors from Aalboorg in Denmark, Vejgaardboldspilkub 1925 on whose behalf we are hosting the Anglo-Danish Easter Cup 1988. To them a very special VELKOMMEN!

We are also pleased to welcome Mrs. Webber, the headmistress of Irene Avenue CM. School who has very kindly agreed to our use of the excellent facilities here today, and who herself has seen her son Damian progress from local youth football through the Worthing Vauxhall-Opel league team to become a regular member this season of the Brighton and Hove Albion reserve team.

This is the very first tournament that we at Lancing Rangers have organised and I trust that not only will we see a feast of good competitive, skillful football for the Anglo-Danish Easter Cup 1988 played in a spirit of friendship but that everybody present enjoys the occasion and, hopefully, the weather is kind to us.

Finally, my personal thanks to all those who have contributed to what I sincerely hope will be a most successful day and in particular our visitors from Denmark for bringing with them the magnificent winners trophy, the Tulip Meat Co. Ltd for kindly donating the medallions for the members of the winning team and to John Smith Associates for both producing and sponsoring today's souvenir programme.

*Derek Salisbury.*
